Active IEEE memberships

Summary

I am a fourth-level Mechatronics Engineering student at the Faculty of Engineering, Benha University. My journey with the IEEE Benha University Student Branch — ignited by curiosity, driven by passion and defined by high-impact leadership — spans from 2022 to the present, evolving from an eager technical participant into a strategic leader and regional representative.

As **Branch Treasurer**, I steered governance and operations: managing budgets and funding allocations for flagship mega events such as **TURBO CUP** and **LOST**, screening over 750 applicants during recruitment, and leading the branch's structural expansion through the launch of the **Computer Society (CS) Chapter** and the **SIGHT Group**. Internationally, I serve as an ambassador for six regional and global initiatives — including **IEEEXtreme 20.0**, **TSYP 14.0** and the **IEEE Region 8 Entrepreneurship Committee** — connecting the branch to broader ecosystems.

My technical and social impact shows through competing in regional events such as the **IEEE AESS Sustainability Hackathon** and the **HIIVE Program** by IEEE SIGHT Egypt, reinforced by 28 active IEEE society, council and technical-committee memberships spanning Robotics & Automation, Computer Systems, High-Performance Computing and Humanitarian Technologies.

Journey

2022 – 2023
Season 8

Attendee & Participant

GHOSTECH — Season 8 Mega Event

My very first experience with the student branch. Over five intensive days, from 3 to 7 September, I took part in hands-on software and hardware workshops, culminating in the final competition day — the foundation of my passion and active journey within IEEE.

GHOSTECH — Certificate of Participation

2023 – 2024

Fundraising (FR)

Fundraising Committee Member

IEEE Benha University Student Branch · 2023/2024 Season

I joined the student branch for the 2023/2024 season as a member of the Fundraising (FR) team — an experience that made a major difference in my personal and professional growth. I built my skills through the activities and training sessions run by FR and other committees, including the season opening, a joint meeting with **Valeo Egypt**, and the second edition of **"Let's Embark"**.

My involvement went beyond attending — it extended to hands-on fieldwork and tangible results:

- **Organizing SPRINT 2024:** contributed directly to the event's success by securing and managing multiple sponsorships.
- **Organizing the RoboSoccer Event:** executed the event in collaboration with the branch's Robotics and Automation Society (RAS) Chapter.

Honors & Key Milestones

AWARD · 2024

Best Member of the Fundraising (FR) Committee

APPOINTMENT

Operations Manager, Mega Event 2024

Certificate of recognition — 2023/2024 Season, IEEE Benha University Student Branch

2025 – Present

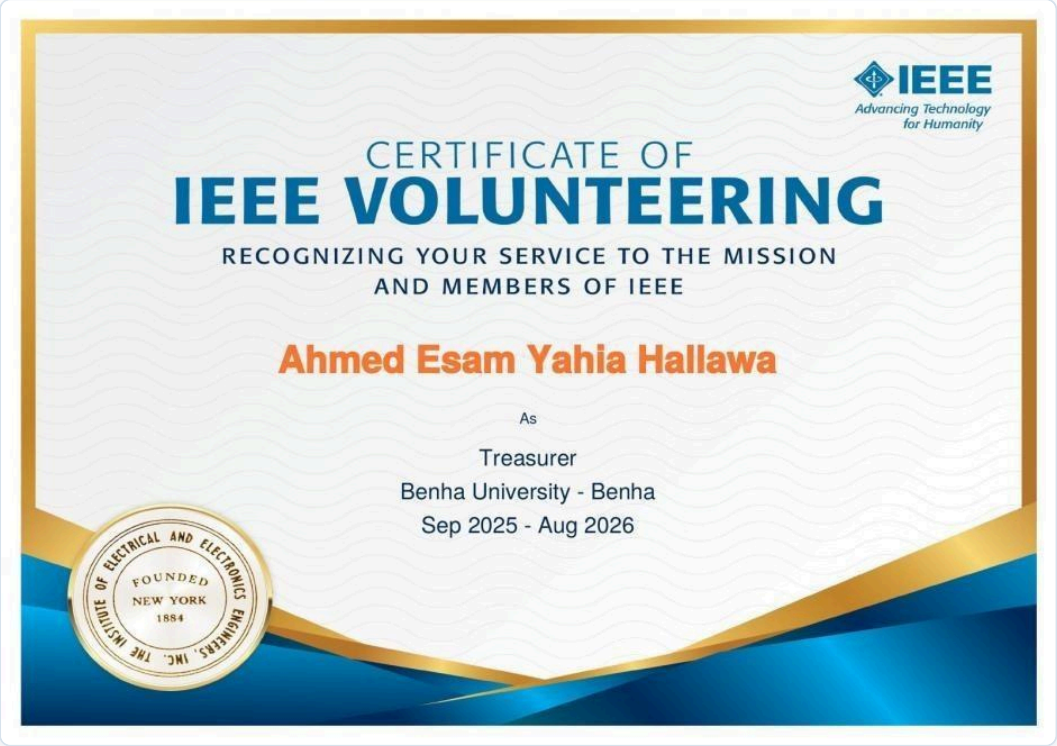

Executive Board

Branch Treasurer

IEEE BUB SB — Key Achievements, 2025/2026 Season

1 · Leadership & Financial Oversight

- **Branch Treasurer:** managed the branch's financial resources, strategic budgeting and funding allocations for all activities while serving on the executive board.
- **Recruitment Operations:** led the interview phase over three consecutive days, screening and evaluating 750+ applicants to build high-performing teams across committees.
- **Structural Expansion:** supervised the official inauguration of the Computer Society (CS) Chapter and the Special Interest Group on Humanitarian Technology (SIGHT Group) — both for the first time in the branch's history.

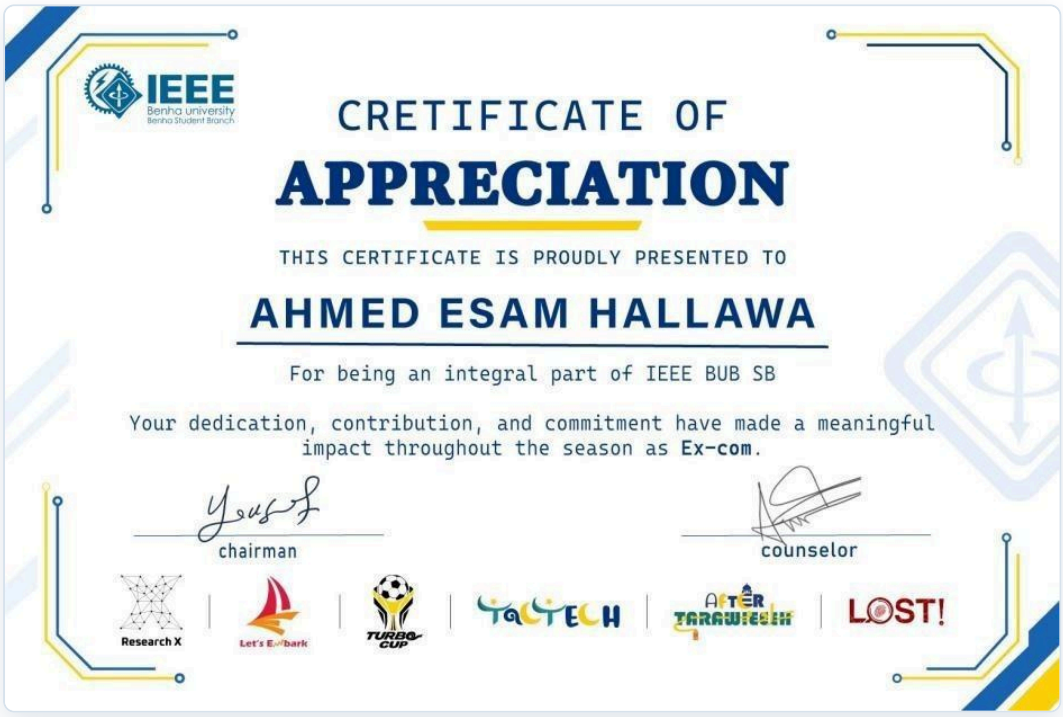

IEEE Certificate of Volunteering — Treasurer, Benha University, Sep 2025 – Aug 2026

2025 – Present

continued

2 · Event Management & Mega Events

- **"Let's Embark" (4th Edition):** managed the flagship orientation event, driving strong community engagement and record-breaking attendance.
- **"LOST" Event:** spearheaded organization and secured multiple strategic partnerships and corporate sponsorships.
- **"ResearchX":** supervised execution in close collaboration with the RAS Chapter to foster undergraduate research.
- **Ramadan Programs:** directed the annual Ramadan Iftar and oversaw the launch of the first edition of the "Tachtech" Ramadan initiative.
- **"TURBO CUP" Mega Event:** contributed to planning and executing this intensive six-day flagship robotics and technology event, ensuring seamless operations and high participant engagement.

Certificate of Appreciation — Executive Committee, IEEE BUB SB

Representation, Engagements & Hackathons

- **Official Assemblies:** represented the student branch at official IEEE leadership assemblies, taking part in the Q1 and Q2 strategic meetings for nationwide planning.
- **TechX Participation:** represented the branch at TechX, hosted by the Egypt-Japan University of Science and Technology (E-JUST).
- **IEEE AESS Sustainability Hackathon 2026 (AESH):** competed in this inter-chapter regional hackathon, recognized for technical innovation in engineering solutions for sustainability challenges.

  IEEE Aerospace & Electronic Systems Society — Tunisia, Egypt and Jordan Chapters
- **IEEE Entrepreneurship Week Egypt 2026:** represented the branch, exploring startup ideation, market validation, business-model design and pitching — and bringing those insights back to the branch community.

  Hosted at Elsewedy University of Technology
- **IEEE SIGHT Egypt — HIIVE Program:** took part in Human-Integrated Innovation for Volunteer Engineering, collaborating with peers on IEEE SIGHT Egypt's mission of tackling community challenges through human-centric technology.

  IEEE SIGHT — Special Interest Group on Humanitarian Technology, Egypt Section

AESH 2026 — Certificate of Participation

IEEE SIGHT Egypt HIIVE — Certificate of Achievement

Ambassadorship Programs

IEEE Region 8 Entrepreneurship Committee
Sep 2026 – Present

Student Branch Ambassador · IEEEXtreme 20.0
Jul 2026 – Nov 2026

IEEE Tunisian Student & Young Professional (TSYP) Congress
Jul 2026 – Present

IEEE Sensors Council Egypt Chapter Ambassador
Jul 2026 – Present

Campus Ambassador · TechX 2K26
Oct 2026 – Nov 2026

IEEE Computer Society R8 Chapter Champions League (CCL)
Oct 2026 – Present

Memberships

SOCIETIES 12

Industrial Electronics · Industry Applications · Computer · Communications · Broadcast Technology · Electronics Packaging · Robotics and Automation · Education · Electron Devices · Antennas and Propagation · Instrumentation and Measurement · Technology and Engineering Management

COUNCILS 8

Electronic Design Automation · Systems · Sensors · Nanotechnology · Biometrics · RFID · Superconductivity · Transportation Electrification

TECHNICAL COMMITTEES & COMMUNITIES 5

RAS TC · Collaborative Automation for Flexible Manufacturing · RAS TC · Verification of Autonomous Systems · RAS TC · Software Engineering for Robotics & Automation · RAS TC · Wearable Robotics · CS Technical Community · High Performance Computing

MILESTONE & SPECIAL GROUPS 3

IEEE Membership Milestone · IEEE SIGHT · IEEE Women in Engineering

28 active IEEE memberships across societies, councils, technical committees and communities
